54 attractive guest rooms all with TV, direct dial telephone and private balconies overlooking the beautiful Columbia River. Two blocks from the approach to the new Astoria Bridge. Excellent restaurant adjoining.

Dear Jimmy - Mary and I stopped at Newport for breakfast. We went on to Seaside and sat on the beach and Mary had a dip in the ocean. Fortunately nothing was available there for the night except complete depressing dumps for 20 dollars a night so we came to Astoria and have this deluxe room with two double beds. We just had dinner in the dining room. We have the Three Night Movie on and are in bed. We loved seeing you and wish you were here. Love, Mom.
